AES mesh heras round top fence panel

All Events Services are one of the largest suppliers of temporary fencing in the Middle East and can offer the most effective and economic solutions for temporary fencing and barriers.

Easily locking together, the heras fencing can be quickly erected on site to provide a safe and secure temporary fence line for crowd control and perimeter boundaries.

AES replenished the fence inventory in 2018 by purchasing 15,000 rm of round top fence panels. Allowing us to offer panels that are clean, rust-free and at a competitive rate for our customers.

The round top fence is the strongest on the market, with 3 sides formed from a continuous length of tube, eliminating the top corner weld, often the weakest point in traditional panel

AES Heras Fence Specifications
