BRAND ACTIVATION

AES Barriers are light to handle, strong and can offer excellent base for branding

AES Police barriers - Fixed Leg 2.3m Barrier

All Events Services is one of the largest suppliers of temporary fencing in the Middle East and can offer the most effective and economic solutions for temporary fencing and barriers.

The Pedestrian Barriers provide an instant and high quality method of crowd management. Each barrier is made from highly durable galvanised steel, perfect for using in outdoor environments.

Connect the police barriers end on end with each other to create excellent barrier systems fast. The pedestrian barriers are ideal for public events and can provide excellent protection for crowds and can be used for brand activation.
